

# VoiceOPTIONS

California Speech Technology Program

A Program of the California Public Utilities Commission

Connects Californians with speech language disabilities to iPads with speech apps.

## VoiceOPTIONS

The Voice Options Program offers eligible Californians who are unable to speak, or who have difficulty speaking, with a free speech-generating device. The goal of this program is to ensure full and equal telephone communications access for all Californians with disabilities.

## Voice OPTIONS

The Voice Options Program offers eligible Californians who are unable to speak, or who have difficulty speaking, with a free speech-generating device. The goal of this program is to ensure full and equal telephone communications access for all Californians with disabilities. When it comes to choosing a speech-generating application, it is imperative to select one that highlights your strengths, skills, and fully meets your needs without leaving you feeling restricted. Through this program, any eligible Californian referred to a Voice Options provider will have the opportunity to test five different speech-generating applications for up to 14 days. The five applications that will be provided are:

Proloquo4text

New Plus Go Talk

Predictable

Touch Chat

Lamp

## Who could benefit from this program?

Persons with:

- Cerebral Palsy
- Strokes
- Traumatic Brain Injuries
- Autism
- Aphasia

Who qualifies for the Voice Options Program? Californians unable to speak, or who have difficulty speaking, who have not previously participated in the Voice Options Program. For more information please call CALIF at the phone number below or visit [www.dor.ca.gov/Home/VoiceOptions](http://www.dor.ca.gov/Home/VoiceOptions) for your nearest Voice Options Provider.
